This newly refurbished service consists of a number of bespoke self-contained flats, studio flats and en-suite bedrooms providing personalised support. Externally we have a lovely spacious garden where individuals are supported to grow their own plants and vegetables.

- > Hope House has 5 self-contained flats, which host a bathroom, a kitchenette and a living / dining room. In addition, Hope House also has a studio flat.

The team ensure that the support provided is person-centred to each resident. Everything we do is catered around their needs, whether that be going out on an excursion, visiting their families or perhaps even making their own cup of tea.
