

Improving lives together

You are invited to an

Open Day

**at Cygnets Wallace Hospital,
Dundee**

NEW

**Newly refurbished
and extended**

**High dependency complex care service for adults
with learning disabilities and complex needs**

Thursday 15th May 2025

We would love to welcome you to our service, which has undergone extensive refurbishments and upgrades to enable us to support more people in a homely, calming and modern environment.

Parking is available on site.

Refreshments will be provided.

Visitors must book a timed slot for this open day
To book your place, please email events@cygnethealth.co.uk

About Cygnet Wallace Hospital

Mixed
gender

18+ years

10 beds
(additional 8 beds
coming soon)

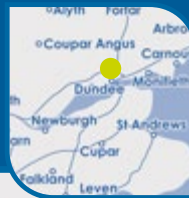

We are delighted to share that the expansion of Cygnet Wallace Hospital is almost complete. The additional 8 beds will also provide assessment and treatment for individuals with learning disabilities, with or without autistic spectrum disorder, as well as complex needs and behaviours.

All of our new and expanded settings are designed with wellness in mind and our expansion at the hospital will provide a safe and comfortable environment to promote successful recovery. Co-production has been at the heart of the expansion with Expert by Experiences (those with lived experience of inpatient settings) providing feedback throughout.

Service Address

Cygnet Wallace Hospital
119 Americanmuir Road,
Dundee, DD3 9AG
